

## The College Admissions Consultant guides you to college success and prepares you for today's new college reality.

Is your entire family stressed about your college plans?

**Is your teenage student “pushing away” at the very time when caring and competent adult support is needed?**

**Are you in need of a professional with time for YOU throughout the college search process right to enrollment?**

We offer several different interventions to suit the needs of students and their families during the college application process. Our *College Admission Planning* service offers three unique packages.

---

### **1) Comprehensive Elite Package - Six Sessions:**

**This package offers a comprehensive service in six sessions - and includes initial planning, continuous support and ongoing coaching right up until enrollment. A high school senior who completes our six session college admission planning program will take home:**

- a structured and individualized college planning timeline.
- a working list of colleges for application.
- the results of an Interest Inventory/Personality profile
- support and coaching with application essay requirements.
- a guarantee of support and coaching in managing deadlines throughout the entire college search process all the way to enrollment.

Appointments available; evening or Saturday sessions are happily scheduled.

### **2) Detailed College Planning**

During spring of junior year and fall of senior year, we offer four 1.5 hour sessions to develop:

- A personalized planning timeline
  - A working list of colleges for application
  - A review of transcript and test scores
- 

### **3) Consulting about One Segment of the College Search Process**

We are available for a single introductory consultation to help you determine “What’s Next?” or to work with clients on a limited basis on one segment of the college search process. Each session is 1 1/2 hours.

In the past, requests for consulting on a limited basis have included (a) review of previously developed list of colleges for application and (b) deadline management support.
